

EDULINKUP

EduLinkUp Internship Program

Welcome to the EduLinkUp Learn and Launch Internship Program

Thank you for your interest in the **EduLinkUp Launch and Learn Training + Internship Program**. This internship is designed to help students **learn by doing**, **create real projects**, and **build proof-of-work**.

Please read this manual carefully before applying.

*Note: This manual is NOT for **Campus Ambassadors** and **Design Interns***

Key Highlights

- **Duration:** 45 Days
- **Mode:** Remote
- **Type:** Unpaid, skill-based internship
- **Outcome:** Certificate, real project, experience

Your projects and explanations may also be featured in our socials with proper credits if they meet our standards.

Step-by-Step Application Journey

Step 1: Visit <https://www.edulinkup.dev/internships/apply> and sign in/sign up to apply

Step 2: Applying on the Website
