

The background is a pixelated tropical sunset scene. A large, bright sun is setting behind a range of mountains. The sky is filled with colorful, pixelated clouds in shades of orange, yellow, and red. In the foreground, there are several palm trees of varying heights. To the right, a small city with several buildings is visible on a hillside. The overall style is reminiscent of early computer graphics or video game art.

EDULINKUP PRESENTS

ELUSOC

EduLinkUp Summer of Code 2026

June 1st, 2026 – July 31st, 2026

WHAT IS EDULINKUP?

The Ultimate Hub for Developers: From free learning resources, DSA and internships to Google Arcade/Skills guidance, portfolio tools, coding contests, and massive Open Source events.

Everything you need to accelerate your tech career is in one place. We focus on bridging the gap between learning and building.

PROGRAM OVERVIEW

Core Concept: An elite open-source program spanning two immersive months.

Primary Goal: An accelerated platform for beginners & accolades to forge skills on real-life projects.

SPONSORSHIP MODES

01 // MONETARY SUPPORT

Direct financial backing to assist in operational, marketing, and logistical execution of a massive, 2-month-long coding operation.

03 // REWARDS & SWAGS

Providing physical goodies, merch, or tangible rewards that motivate top performers, winners, and hardcore contributors across the leaderboard.

02 // DIGITAL GOODIES

Providing our participants with free courses, upskilling materials, and technical workshops that integrate directly into their career growth.

04 // COLLABORATION

Injecting your open-source software into ELUSOC 2026 and embedding your mentors directly into our ecosystem to guide the students.
